Dear Ms. Avery and Ms. Senger:

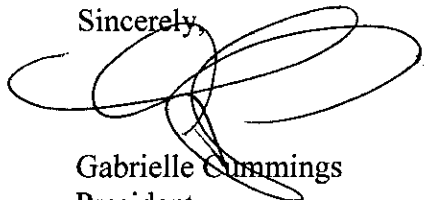

On January 15, 2019 the Illinois Health Facilities and Services Review Board approved Certificate of Exemption E-063-18, which discontinued Highland Park Hospital's 6-bed Pediatric category of service. The beds impacted by this approval are located on 3 East with the corresponding room numbers:

3358, 3362, 3364, 3365, 3367, 3370

Through this letter and, effective, March 31, 2019, Highland Park Hospital will increase its number of Medical/Surgical beds from 93 to 99, with the six above-identified beds being designated as Medical/Surgical.

Should any additional information be required, please do not hesitate to contact me.

Sincerely,

Gabrielle Cummings  
President
